The Honorable Bill Lee
Governor of Tennessee
State Capitol
Nashville, TN 37243

Dear Governor Lee:

Enclosed is a resolution unanimously passed by the members of the Bristol Tennessee Board of Education at their most recent meeting on April 15, 2019.

For a variety of reasons that are enumerated within the resolution, our school board members oppose any legislation or other similar effort to create an Education Savings Account program in Tennessee.

Thank you for everything you do for public education in our state. We appreciate your consideration of this resolution.

Sincerely,

A handwritten signature in blue ink that reads "Gary Lilly". The signature is written in a cursive style.
